We require a credit card on file for any incidentals such as damaged, unclean or missing items. We will notify you and explain any additional charges to your card if needed.

Hand-tied bouquets will be delivered in clear glass vases to keep blooms hydrated. These should be returned to Ecker's along with any other transport boxes.

Delivery & Setup

Delivery and setup fees will vary depending on order size, personnel and vehicles required to deliver. Locations outside of Waverly will be charged additionally according to distance. For orders requiring more than one drop off location (hair salon, hotel, ceremony location, reception, etc.), additional delivery charges may be added.

Delivery time will be established to accommodate your event schedule (pictures, cake arrival, etc.).

Setup services include the following:

- Centerpiece/candle placement
- Pew/chair décor placement
- Arch/arbor décor installation
- Cake flower placement
- Head table placement

We ask that facilities be open and ready at our time of arrival. Unexpected labor time needed to complete setup services beyond what is stated in your order may be charged.

About

Congratulations on your upcoming wedding or big event! We are glad you are inquiring with us to serve your floral needs.

Ecker's has been serving Waverly and the Cedar Valley for 75+ years as a full service florist. We look forward to the opportunity to create for you and are committed to providing an exceptional client experience. Using quality product from local sources and around the world, we create professional artistic designs, while meeting your budget and style.

Consultations

We prefer an in-person consultation by appointment to ensure you the best attention in selecting your flowers. We accommodate phone consultations if necessary. Your first consultation is free of charge. *There is a \$25.00 fee for additional consultations (up to 1 hour).*

Making the most of your consultation:

- It's best to meet with us after you have chosen your venue, overall theme/feel, attire, number of attendants, and color palette.
- Bring along your floral needs checklist. We know these can change as your day approaches, but having a good idea will help us give you a more accurate estimate.
- We love to see what inspires you, so feel free to bring along images of floral arrangements, wedding attire and color samples.
- Having a budget in mind can help us guide you to flower types and ideas that may fit more comfortably into your overall event budget.

Save-the-Date & Payment

If you choose to work with Ecker's, a \$100+tax non-refundable retainer fee is required to reserve your wedding/event date. We accept cash, check and all major credit cards. The retainer fee is applied to your total balance. It is important to let us know as soon as possible if you decide to work with us, especially for event dates during the months of June-October. Fifty percent of your balance is due 60 days prior to your event, with the remaining balance due before delivery.

Your Custom Order

After the retainer fee has been received, we will prepare your detailed wedding order and e-mail you as soon as we are able, possibly up to two weeks depending on our seasonal schedule. Please read your order carefully and notify us of any changes as they are known. Minor changes to your order can be made via phone or email. Major changes will require an in-person or phone consultation at \$25 per visit (up to 1 hour).

Preview Your Flowers

Your flowers will be available for previewing at a time later established the day before your event. Approval of flowers must be made by 4:00 p.m. on the day before your event to ensure requested changes. If you are unable to visit the store, we will text or email photos of your flowers to you. Any changes requested after approval will be assessed a fee based on additional labor or product needed.
